

NAUTILUS MIDDLE SCHOOL PTSA

September 20, 2017

Reference: Florida Department of Agriculture & Consumer Services Certificate Exemption

Dear Miami Foundation,

Nautilus Middle School PTSA is a local PTA unit affiliated with a school. The Florida PTA has notified us that local PTA units such as ours are not required to register with the Florida Department of Agriculture. Nautilus would therefore be exempt from requiring a Florida Department of Agriculture & Consumer Services Certificate as part of the Give Miami Day registration requirements.

Thank you for all your assistance in our registration process!

Sincerely,

Tiva Leser
President, 2016-2017
