RE: Registration by Young Women's Preparatory Academy PTSA
for GIVE MIAMI Day

Dear Ms. Fear:

This letter will confirm that local unit PTAs in the State of Florida are not required to register with the Florida Department of Agriculture for the Solicitations of Contributions.

After an in-person meeting with Commissioner's office, because of the PTA requirements we have in place, local unit PTAs affiliated with a local school, are not required to register.

Please refer to the attached copy of an email from Amy Topol (3-19-14), in the Commissioner's Office. If you need further clarification, please contact Ms. Topol or one of the other two listed in the email.

If you need additional information, please let me know.

Thank you.

Very truly yours,

Jean Hovey, Executive Director
